6/29/09	Harbor Commission Meeting	
		Total Engine Hours 25
		Season Total Engine Hours 40

All mooring renewals that have been received to date (6/29/09) have been processed and posted on the WEB site. Please note that mooring stickers are singles with no sticker for the boat this year. Setting up mooring waiting list hope to be complete and posted on the WEB by the First week in July. I have written Job description for Harbormasters position and changes to the town code to bring to council for approval. Training of two harbor patrol officers has been completed. I would like to welcome Alex and Nick. as Tiverton's new "Harbor Patrol Officers". I have Started Training a new Patrol Officer George "Chip" Ruther, welcome aboard Chip. I have answered 103 Phone calls this month. It has been a great month (except for the weather) and most are obeying the basin and Gut "No Wake" zones. Let's all have a safe summer out on the water.

Sincerely Submitted

David E. Vannier, Harbormaster

See you out there!
